Dear Kathy,

On behalf of the Cleveland Council on World Affairs and the U.S. Department of State, **thank you** for your time and participation in our “Climate Change and Renewable Energy” project with representatives from Bulgaria, Indonesia, Poland, Saudi Arabia, Senegal, and Uzbekistan.

As you know, the group was participating in the State Department-sponsored International Visitors Leadership Program, an integral part of U.S. government **public diplomacy** initiatives. By creating opportunities for visitors to meet with American citizens in their work, homes, and communities, this program strengthens our relationships with emerging leaders and provides a more balanced image of Americans overseas.

Exchange programs of this nature are only possible with the support of **Citizen Diplomats** like you. We sincerely appreciate your service to CCWA and the international community.

Thank you again,

Ryan Ouellette  
International Visitors Program Officer

everyone really  
enjoyed it.*
